NOTIFICATION OF EMERGENCY CRISIS SERVICES

This following lists services available to you in the absence of Headwaters Wellness and Counseling.

Fairbanks Memorial Hospital ER
1650 Cowles Street, Fairbanks, AK 99701
907-458-5555
For evaluation or admission for medical and
mental health emergencies

Interior Alaska Center for Non-Violent Living
907-452-7273
24-hour crisis line to address domestic violence
and sexual assault crises.

Careline Crisis Intervention
907-452-4357
Connects to a national service for suicide
prevention and other crises

Fairbanks Community Mental Health Center
907-452-1575

During office hours, telephone messages are checked frequently and routinely. All crisis calls will be returned the same day. If you need assistance during a time when your therapist is not available, please contact the appropriate resource immediately.

Most often, clients do not require any of these additional services. This is to inform you of the community resource available to you should the need arise.
